Notes—

(1) Under column 4, the medical institutions whether Allopathic or Ayurvedic or Unani or Homoeopathic which are run by or aided by Government/Semi-Government and charitable institutions or social service agencies like the missionaries are only recorded.

(2) If an educational facility is not available in the town, the name of the nearest place if in the same district or the name of the nearest place and name of state if in other state where the facility is available is mentioned alongwith the distance of the place from Pasighat town

(3) In case composite Schools like Middle Schools with Primary Classes or Secondary Schools with Middle Classes, these are included in the number of Primary and Middle School respectively. For example, if in a town there are two Primary Schools and one Middle School with Primary Classes, the number of Primary Schools in the town may be given as 3 and that of Middle School as one even though there may be only three educational institutions. So also in case of Secondary or Higher Secondary Schools.
